CHICAGO, Sept. 23.—The scenes at the Coliseum track side to-day during the twenty-four bleyele race, were exciting and it was seen early in the evening that the American record would be broken.

At 8:10 p. m. the score was as follows: Gimm, 482; Waller, 497; Schinner, 49; Miller, 496; Harding, 422; Myers, 122; Schoch, 400, and quit track; Waller was riding strong in the lead of all others on the track.

Gimm left track at 8:35 p. m. with a total of 485 miles, 1.151 yards.

The American record for twenty-four hours is 422 miles, hence Gimm beats the record by over thirty-four miles. Waller, Schinner and Miller also are ahead of the record.

At 9 p. m. Waller, Schinner, Miller and Myers were the only one riding. The score at the finish was as follows: Gimm, 485 miles, 1.151 yards.

The managers are willing to put up \$5,000 as a guarantee. This money will be up to-day and Corbett has agreed to accept the amount. When he is notified by telegraph that the money is up, he will start for California, as will also Sharkey. On their arrival in this city, each of the pugilists will deposit \$1,500 as a guarantee of their good faith and to secure their appearance in the ring. This arrangement meets with the approval of the Eureka club managers. The only point that has been definitely determined upon is as to the responsibility in case there should be a little in bringing off the match. That will be arranged, however, when Corbett and Sharkey reach here.
